**Section 18. Nominations for Office.** All candidates for elective offices as provided for in this Charter shall file an affidavit of candidacy with the Finance Director in accordance with Minnesota Statutes, Chapter 205. At least two weeks before the first day to file affidavits of candidacy, the Finance Director shall publish a notice stating the first and last dates on which affidavits of candidacy may be filed, and shall post a similar notice at least ten days before the first day to file affidavits of candidacy.

The affidavit of candidacy for any elective office as provided for in this Charter shall be substantially the same form as required of candidates for State of Minnesota elective offices. The fee to be paid upon filing an affidavit of candidacy for City office shall be \$10.00. In lieu of filing an affidavit of candidacy and payment of the filing fee, a petition nominating a candidate may be filed; such petition must be signed by a number of registered voters residing in the City equivalent to five percent of the total number of votes cast at the last regular municipal election or 250 signatures, whichever is less. In the case of a City Councilor, the signers of the petition must be registered voters residing in the ward from which the candidate is to be elected, and the required percentage of signatures shall be based upon the votes cast in such ward. No person shall sign petitions for more candidates than the number of places to be filled at the election, and should any person do so, that person's signature shall be void and not counted on any petition. All applications for office by petition shall be delivered to the Finance Director as provided for in affidavit of candidacy. The Finance Director shall prepare the ballots in the manner provided by Minnesota Statutes.

The signatures on the nomination petition need not all be appended to one paper, but to each separate paper there shall be attached an affidavit of the circulator thereof stating the number of signers of such paper and that each signature appended thereto was made in the circulator's presence and is the genuine signature of the person whose name it purports to be. With each signature shall be stated the street address of the residence of the signer. The form of nomination petition shall be substantially as follows:

NOMINATION PETITION

We, the undersigned, are registered voters residing in [the \_\_\_\_\_ Ward of] the City of New Ulm, and do hereby nominate (here use name of nominee), whose residence is \_\_\_\_\_, for the office of \_\_\_\_\_, to be voted for at the election to be held on the \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_, and we individually certify that we have not signed petitions for more candidates than the number of places to be filled at the election.

\_\_\_\_\_

I, \_\_\_\_\_, with residence address of \_\_\_\_\_, being duly sworn, depose and say that I am the circulator of the foregoing petition paper containing \_\_\_\_\_ signatures, and that the signatures appended thereto were made in my presence and are the signatures of the persons whose names they purport to be.

Signed \_\_\_\_\_

Subscribed and sworn to before me this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_.

If found insufficient by the Finance Director, a nomination petition shall be returned to the person whose name appears as circulator in the petition at the address shown.

A vacancy in a nomination exists when after the primary election any person who is nominated dies, withdraws, or for any other reason ceases to be the nominated candidate for that office. When a vacancy in a nomination occurs, a nomination to fill a vacancy shall be made as follows: The person receiving the next highest number of votes for the office at the primary election shall be the candidate for the office to fill the vacancy. If there is no person who may be nominated as herein provided and a vacancy exists by reason of this fact, the Finance Director shall prepare ballots for the general election which shall be blank and no name on the ballot for the office for which the vacancy exists.

Whenever three or more candidates have filed for any city-wide office, or councilor of any ward, a primary election shall be held, city-wide, or in any particular ward or wards. The City of New Ulm will hold a primary election, if required, on the same date as the statewide primary election.

In all primaries, the two persons receiving the most votes shall be the nominees for such offices at the regular municipal election.

## INITIATIVE, REFERENDUM AND RECALL

**Section 40. Initiative Petitions.** Any proposed legislation, in the form either of an ordinance or resolution, may be submitted to the City Council by a petition asking for its adoption by the Council, or, in case of unfavorable action by the Council, for its submission to approval by the voters.

Any five registered voters may form themselves into a committee for the initiation of such a petition by filing with the Finance Director a copy of the proposed ordinance or resolution, approved as to form by the City Attorney, together with their names and addresses as members of the committee. Thereupon the Finance Director shall furnish them with uniform blanks in the form of signature papers for circulation among the voters.

*Amended: Ordinance No. 362, adopted 12/18/79.*

*Amended: Ordinance No. 11-090, 4<sup>th</sup> Series, adopted 6/21/11.*

The signatures affixed to each of such signature paper shall be in ink or indelible pencil and shall be accompanied by the street address of the residence of the signer. Signers of the petition shall be registered voters who reside in the City. At the end of the list of signers there shall be an affidavit by the circulator of the paper to the effect that each signature appended thereto is the genuine signature of the person whose name it purports to be and that it was made in the presence of the affiant. When presented for filing, the signature papers shall be treated collectively as one instrument to be known as the initiative petition.

*Amended: Ordinance No. 11-090, 4<sup>th</sup> Series, adopted 6/21/11.*

**Section 42. Filing of Petition.** To proceed with an initiative petition, the signature papers must be filed with the Finance Director within ninety days of the date on which the signature papers were furnished to the committee, and must contain a number of signatures by registered voters equal to at least ten percent of the total number of votes cast at the last preceding general municipal election.

Within ten business days after the filing of the petition, the Finance Director shall ascertain whether it is signed by the required number of registered voters and otherwise conforms to requirements, and shall endorse thereon a certificate of the result of the examination. If the certificate shows that the number of signatures to the petition is insufficient or that there are other irregularities, the committee sponsoring the petition shall be notified of the fact and given thirty days in which to file additional papers and to correct any irregularities.

If at the end of that period the petition is found to be still irregular or insufficient, the Finance Director shall file the same with a second certificate endorsed thereon, showing the results of the final examination. Thereupon no further proceeding need be taken, except that the Finance Director shall inform the City Council of the filing of such insufficient petition, the nature and purpose thereof, and the number of signatures actually appended thereto.

The final finding of the insufficiency or irregularity of a petition shall not prejudice the initiation of a new petition for the same purpose, nor shall it prevent the City Council, if it so desires, from acting with reference thereto in the same manner as if the petition had been in all respects regular and sufficient.

*Amended: Ordinance No. 362, adopted 12/18/79.*

*Amended: Ordinance No. 11-090, 4<sup>th</sup> Series, adopted 6/21/11.*

**Section 43. Procedure of the Council.** If the certificate of the Finance Director shows that the petition is sufficient, the proposed ordinance or resolution shall be presented to the City Council at its next regular meeting. The Council shall thereupon consider the same, and shall take final action thereon within thirty days after its submission to the Council by the Finance Director.

If the Council fails to adopt the proposed measure, the proposed measure shall be submitted by the Council to the voters at the next regular municipal election.

If, however, the number of signatures to such petition by registered voters is at least twenty percent of the total number of votes cast at the last preceding regular municipal election, the Council shall call a special election for submission of the measure, to be held not less than thirty, nor more than forty-five, days thereafter, unless a regular municipal election is to occur within three months, in which case the proposal may be submitted at such regular election.

If the City Council passes the proposed resolution or ordinance with amendments, the proposed measure need not be submitted to the voters unless four-fifths of the sponsoring committee submit objections to the amended measure, filed in writing with the Finance Director within ten days after the adoption thereof by the Council.

*Amended: Ordinance No. 362, adopted 12/18/79.*

*Amended: Ordinance No. 11-090, 4<sup>th</sup> Series, adopted 6/21/11.*

**Section 44. Initiative Ballots - Effect of Vote.** The ballots used in voting upon any such proposed measure shall state briefly the substance thereof and shall give the voter the opportunity to vote either "For the Measure" or "Against the Measure". If a majority of the persons voting on any such measure vote in favor thereof, it shall thereupon become an ordinance or resolution of the City, as the case may be. Any number of proposed measures may be voted upon at the same election, and if there is more than one, the voter shall be allowed to vote for or against each separately.

*Amended: Ordinance No. 11-090, 4<sup>th</sup> Series, adopted 6/21/11.*

**Section 45. Initiation of Charter Amendments.** Nothing contained in this Charter shall be construed as in any way affecting the right of the voters under the Constitution and Minnesota Statutes to propose amendments to this Charter.

In the latter case the City Council shall immediately order an election for the submission of the repeal or amendment of said measure to the voters of the City, such election to be held not less than thirty nor more than forty-five days thereafter; provided, that if any other municipal, state or primary election is to occur within sixty days after such meeting, the Council may provide for the holding of such referendum election at that time.

If a majority of the persons voting on the question of repeal or amendment vote to repeal or amend the ordinance or resolution, it shall not go into effect, except as amended; but if a majority of the persons voting thereon favor the measure as adopted by the City Council, the measure shall go into effect immediately, or on the date therein specified if later than the date of the election.
